YOUR RUN SHEET

Every event is different, so we do not fix the schedule in advance. Once your package is booked we send you a run sheet template to fill in and return, so everyone knows the plan for the night. It covers:

1	Arrival time and welcome drinks
2	When food is served
3	The order of activities: VR challenge, karaoke, pool and console gaming
4	Speeches, awards or anything else you have planned
5	Finish time
	Our team runs it on the night, so the organiser gets to join in.

CAPACITY

Groups of 8 to 80. Packages include exclusive hire of the whole venue for qualifying group sizes, with a private bar and our team hosting.* Or build your own: tell us your team size and what you want to do, and we price it on the call. 13 VR escape rooms, 50 VR titles, two private karaoke rooms, pool table and console gaming.

*Exclusive venue hire is available for qualifying group sizes, subject to minimum numbers. Smaller groups can book a reserved area within the venue.
